

ART & Wine FESTIVAL

ABOUT THE MORGAN HILL MARATHON

Come enjoy the whole weekend by visiting the Health Expo on Friday and Saturday and the Marathon Art and Wine Festival on Saturday and Sunday. The Marathon and Half and Kids race both start and finish at the festival. There will be food, fun, arts and crafts and wine tasting.

Strategically placed between the San Jose Rock and Roll Half Marathon and the California International Marathon, the Morgan Hill Marathon is a perfect training opportunity on a tough, rolling course.
